### 7. Moving House

- The lifetime mortgage can be transferred to a new property, subject to it meeting lending criteria at the time.
- If the initial advance has completed over 5 years ago and the new property does not meet the prevailing lending criteria, then the borrower(s) may repay the entire loan without an ERC.

**Downsizing  
protection**

### 8. Repayment on Death or Moving into Long-term Care

- No negative equity guarantee for the final customer's entry into long-term care or death.
- The mortgage must be repaid when the borrower (or both borrowers if they are borrowing jointly) have died, or have permanently left the property because they need long term care. For example, to move into a care home. In this instance no Early Repayment Charges are payable.
- For a joint life account where one person dies or moves into long-term care, the remaining borrower may repay the lifetime mortgage within 3 years without ERCs (subject to terms and conditions).

**No negative  
equity  
guarantee**

### 9. Loan-to-Values (LTVs)
